Respected Colleagues and Esteemed Members,

First of all, Advance Greetings to all of you for our upcoming important Festival of Colours – Holi !

As we step into another vibrant month, I take this opportunity to share key updates and reflections on recent developments shaping our profession and community. February has been eventful, marked by significant economic announcements, cultural celebrations, and upcoming professional engagements.

Key Announcements in the Indian Union Budget 2025

The Union Budget 2025 has laid down a progressive roadmap for economic growth and fiscal discipline. Some of the notable highlights include:

Tax Reforms: The government has introduced new incentives for MSMEs and start-ups, along with rationalized tax slabs to enhance compliance and reduce litigation.

GST Updates: Simplification of GST return filing and rate adjustments in key sectors aim to ease the compliance burden on taxpayers.

Infrastructure & Digital Economy: Increased investments in digital infrastructure and the push towards a cashless economy indicate a strong commitment towards modernization.

These developments will have a direct impact on tax practitioners and businesses alike. We encourage all members to stay informed and prepared to navigate the evolving legal landscape effectively.

State of the Indian Economy

The Indian economy continues to show resilience amidst global uncertainties. With a projected GDP growth rate of around 6.5%, strong domestic consumption, and a booming digital sector, we are witnessing robust progress. However, inflationary pressures and global trade dynamics remain key areas to watch. As professionals, it is crucial for us to adapt to these changes and guide our clients accordingly.

Festive Celebrations – Basant Panchami & Holi Greetings

Festivals bring joy and togetherness, and this month, we celebrated Basant Panchami, invoking the blessings of Goddess Saraswati for wisdom and prosperity. As we now approach Holi, the festival of colors, let us embrace the spirit of unity and joy. I extend my heartfelt wishes for a vibrant and safe Holi to you and your families.

Upcoming Tax Seminars & Programs

Continuing our commitment to professional growth, STBA has lined up a series of knowledge-sharing sessions:

➤ **Mega Seminar on Real Estate – Gyan Ka Mahakumbh - Mark Your Calendar!**

STBA is pleased to announce a Mega Seminar on Real Estate scheduled for 01.03.2025. This seminar will feature renowned experts from Mumbai, **CA Jayesh Gogri and CA Pradip Kapasi**, who will provide in-depth insights into the latest amendments, judicial pronouncements, and compliance strategies. We encourage all members to actively participate and make the most of this learning opportunity. We are thankful to both of them for accepting our invitation and coming to Siliguri. I am also thankful to **Shri Raju Bishta**, Hon'ble Member of Parliament from Darjeeling for accepting our invitation to grace as Chief Guest on the occasion our Mega Seminar **Gyan Ka Mahakumbh**. I am also grateful to the Mega Seminar Committee Chairman **CA Manish Goyal** & Co-chairman **Advocate Rakesh Mishra** for taking the initiative.

➤ **Foreign Study Tour:**

A foreign study tour to Phuket & Karbi has been planned from 18.03.2025 – 23.03.2025. Members are requested to join the same. I am thankful to **Advocate Pramod Garg** and his team for the initiative.

We encourage all members to participate actively in these programs to stay ahead in the profession.

Engagement & Participation in STBA Activities

I am grateful to our Income Tax Study Chairperson **CA Shyam Kumar Agarwal** and GST Study Chairperson **CA Naresh Agarwal** for their continued efforts. I also convey my sincere thanks to my Secretary **CA Gaurav Sharma**, Treasurer **CA Avijeet Ghoshal**, all Executive Committee members and my dear fellow members of the association for their whole-hearted support all around the year.

Our association thrives on collective engagement. I urge all members to contribute actively by attending meetings, writing research articles, and mentoring young professionals. I thank our Editor and Newsletter Committee Chairperson **CA Manish Agarwal** for bringing out our Members Newsletter on a monthly basis. I once again urge all members to contribute articles and write-ups for our monthly newsletter, as your involvement strengthens our community and enhances our collective knowledge.

In conclusion, let us move forward with renewed enthusiasm, embracing opportunities for learning and collaboration. May this month bring prosperity, knowledge, and happiness to all of us.

Once again wishing you all a wonderful Holi and a successful month ahead!

I look forward to your continued engagement and participation in the association's activities.

With sincere appreciation,

Karan Singh Jain, Advocate
President
Siliguri Taxation Bar Association

Dear Members of the Association,

It is with great pleasure and pride that I reach out to you through this edition of our newsletter. As we reflect on the past few months, which have been both eventful and transformative, I am delighted to share with you the milestones that have not only defined our association but have also elevated the very fabric of professional excellence within our community.

The term 2024-2025 so far, has been nothing short of extraordinary, with our association hosting a series of seminars that have left an indelible mark on the field of taxation. From the intricacies of GSTR 9 & 9C, the nuances of Income Tax and GST, to the incisive discussions on the Union Budget 2025, each session has been an unparalleled opportunity for learning and growth.

These seminars and study groups are organized solely for the benefit of our members. We are driven by the belief that when our members develop professionally, the entire association flourishes, and in the bigger picture, we contribute to the greater goal of nation-building. We encourage and urge our fellow members to stay updated on the constantly evolving taxation code, as this will greatly enhance their professional practice.

While professional development remains a core focus, we also strive for broader societal impact. The Awareness Camp on Diabetes that we organized in collaboration, the tree plantation initiative led by our Women Empowerment Committee to promote sustainable development, and the social visits made to our senior members and the families of our aggrieved members all reflect our commitment to contributing positively to society. It is not only our personal professional development that we seek, but also the betterment of our community.

In addition to our professional and social initiatives, we have also committed to the health and well-being of our members. In light of this, we have organized various sports and outdoor activities such as Box Cricket and Football. These events offer our members an opportunity to stay active, build camaraderie, and recharge amidst their busy schedules. Furthermore, we celebrate a variety of social events and festivals, including, Saraswati Puja, Independence Day, Swami Vivekanada Jayanti, and more, fostering a strong sense of unity and cultural connection within our association.

A significant update in the realm of taxation was the introduction of the Income Tax Bill, 2025, by Finance Minister Nirmala Sitharaman on February 13, 2025. This Bill replaces the age-old Income Tax Act, 1961, bringing much-needed reforms aimed at a more structured tax administration, modern compliance, and streamlined provisions for businesses and individuals. If passed, the Bill will come into effect from 1st April 2026, ushering in a new era of taxation in India. Tax revenue collections are at an all-time high, and despite the constant fluctuations in the stock market, it continues to reach new heights.

In other notable developments, National Statistic Office published the first advanced estimates, projecting India's real and nominal GDP growth rates at 6.4% and 9.7% respectively, in F.Y. 24-25. The RBI has projected inflation at 4.6 per cent and 4.0 per cent in Q1 and Q2 of FY 2025-26, respectively (Source: citing from pib.gov.in). As India continues its rise, we are witnessing a paradigm shift as the nation is poised to become the world's 3rd largest economy.

As the real estate sector in Siliguri is experiencing a radical shift, it has become crucial for our members to stay informed about the relevant laws. With the continuous growth of real estate projects in Siliguri over the past 15 years, it is imperative that we remain up to date with the latest legal developments. Therefore, organizing this Mega Seminar on the GST and Income Tax provisions, along with their implications on real estate, has become essential, especially now.

Looking ahead, the crown jewel of our upcoming events will undoubtedly be the Mega Seminar on 1st March 2025. This landmark event will focus on Income Tax and GST Provisions and their Impact on the Real Estate Sector, and we are confident it will be a resounding success. We are deeply honoured to have Shri Raju Bishta, Member of Parliament, joining us as our distinguished guest, whose insights will undoubtedly enrich our discussions. We are also privileged to have CA Pradip Kapasi and CA Jayesh Gogri, both from Mumbai, as our expert speakers. Their unparalleled expertise promises to make this seminar an intellectually stimulating and thoroughly enriching experience. We are also deeply grateful to have incredible sponsors for the event and would like to give a special shout-out to them for their support.

I would also like to personally thank the Seminar Committee for their tireless efforts in organizing these exceptional and highly beneficial seminars on such a grand scale. Pulling off a Mega Seminar with such esteemed speakers and a distinguished chief guest is no small feat.

Additionally, we are excited about our upcoming foreign/educational tour in March 2025 to Phuket and Krabi, Thailand. This will be a wonderful opportunity to blend professional growth with cultural exploration.

It is equally important that our members are aware of the tireless efforts of the executive members, who have been working relentlessly to achieve a positive resolution regarding the STBA office space dispute. We have reached out to MLA Shri Shankar Ghosh and DM Dr. Preeti Goyal, and have personally met with MP Shri Raju Bishta and Mayor Shri Gautam Deb to discuss potential solutions and strengthen our position in the case.

I would also like to apprise our readers that an updated Members Directory will be forthcoming. My deepest gratitude extends to the Editorial Committee for their unwavering dedication in delivering the most refined edition of the e-newsletter, which continually keeps us well-informed on the latest advancements in the field of taxation, demonstrating exceptional depth of knowledge and expertise.

I look forward to many more milestones, and I am confident that our collective dedication will continue to elevate the Siliguri Taxation Bar Association to even greater heights in the years ahead.

With warm regards and deepest appreciation,

CA Gaurav Sharma
General Secretary
Siliguri Taxation Bar Association

Dear Esteemed Members,

Holi Greetings!

As we step into another month of professional engagement and learning, it is our pleasure to bring you the latest edition of the Siliguri Taxation Bar Association (STBA) Newsletter. This platform continues to serve as a medium to share knowledge, updates, and opportunities that strengthen our fraternity.

Key Developments in Indian Economy

The latest developments in India's economy in recent times include:

- ✓ **Trade Negotiations with the U.S.:** During Prime Minister Narendra Modi's visit to Washington, trade negotiations with the U.S. resulted in minor concessions, including cuts to tariffs on bourbon whiskey and Harley-Davidson motorcycles. However, uncertainties surrounding U.S. trade policies and tariffs on India remain unresolved, posing risks for the Indian economy.
- ✓ **Stock Market Decline:** The Indian stock market has experienced a substantial decline, with the BSE Sensex dropping around 7.5% since mid-December, entering bear market territory. Small- and mid-cap stocks have been hit the hardest, with respective drops of 21% and 19%.
- ✓ **GDP Growth Forecast:** India's economy is anticipated to grow by approximately 6.5% in the fiscal year 2024/25, at the lower end of the government's 6.5%-7% projection range due to global uncertainties. The finance ministry's monthly report for November suggests a positive economic outlook for the October to December quarter, driven by strong rural demand and rising urban demand.
- ✓ **Private Sector Output:** Private sector output in India has reached a six-month high in February, indicating a positive trend in economic activity.
- ✓ **Interest Rate Cuts:** The Reserve Bank of India has signaled the possibility of further interest rate cuts, as indicated in the minutes of the Monetary Policy Committee meeting.
- ✓ **Trade Balance with Japan:** Efforts are underway to balance trade between India and Japan by boosting exports, as the trade deficit with Japan stood at \$12.55 billion in 2023-24.
- ✓ **Infrastructure Investment:** The Indian government continues to focus on infrastructure development, with significant investments in road and rail projects aimed at sustaining economic growth.

Key Highlights from Union Budget 2025

The recently announced Union Budget 2025 has introduced several significant changes in taxation, including amendments in direct and indirect tax policies. Key highlights include:

- ✓ **Income Tax:** Adjustments in tax slabs, enhanced deductions for small businesses, and new provisions impacting professionals.
- ✓ **GST:** Streamlining of compliance measures, rationalization of tax rates in key sectors, and stricter provisions for input tax credit claims.
- ✓ **Ease of Compliance:** Measures to simplify tax administration, including faceless assessments and AI-driven scrutiny processes.

A detailed discussion on these reforms will be a major focus of our upcoming Seminars on Income Tax, GST & other fields.

Mega Seminar on Real Estate – Gyan Ka Mahakumbh

STBA is organizing a Mega Seminar on Real Estate on 01.03.2025. This seminar will feature renowned experts who will provide in-depth insights into the latest amendments, judicial pronouncements, and compliance strategies. We encourage all members to actively participate and make the most of this learning opportunity.

Your Contribution Matters!

The STBA Newsletter thrives on the contributions of its members. We invite you to share your expertise by submitting articles, case studies, or analytical write-ups on taxation laws and allied subjects. Your insights will not only enrich the professional community but also establish our collective intellectual presence.

Stay Engaged, Stay Informed!

We urge all members to actively participate in STBA's initiatives, seminars, and knowledge-sharing platforms. Your presence and engagement make our association stronger and more vibrant.

Looking forward to your continued support and participation!

Any suggestions, queries or articles on any matter may be mailed to us at manishslg@icai.org.

Warm regards,

CA. Manish Agarwal

AI Magic at Your Fingertips: The Best Free Tools & Hidden Gems

Artificial Intelligence (AI) is no longer a futuristic concept—it's here, transforming the way we work, communicate, and create. From smart virtual assistants to advanced content generation and data analysis, AI tools are reshaping industries and making complex tasks easier than ever. Whether you're a business professional, content creator, researcher, or student, AI-powered platforms can help boost productivity, automate repetitive tasks, and provide deep insights with minimal effort.

In this guide, we explore the most popular free AI tools available today, highlighting their key features, smart tricks, and how they can be leveraged for different purposes. Discover how AI can revolutionize your workflow and give you a competitive edge in your field.

1. ChatGPT (Open AI)

- Features: A powerful conversational AI that can generate human-like responses, assist with brainstorming, summarize articles, write emails, and even generate code snippets.
- Smart Trick: Use custom instructions to personalize responses and improve relevance for your needs.
- Useful For: Writers, students, researchers, businesses, customer support.
- Website: <https://chat.openai.com>

2. Gemini (Google AI)

- Features: A context-aware AI assistant capable of answering complex queries, generating text-based content, explaining technical concepts, and integrating with Google Workspace for enhanced productivity.
- Smart Trick: Gemini can analyze text from images and PDFs, allowing users to extract information and generate summaries from scanned documents.
- Useful For: Researchers, professionals, content creators.
- Website: <https://gemini.google.com>

3. Grammarly

- Features: An AI-powered writing assistant that corrects grammar, suggests style improvements, enhances clarity, and ensures professional tone and readability across different types of content.
- Smart Trick: Use the tone detector to adjust formality and clarity based on your audience.
- Useful For: Writers, students, professionals, marketers.
- Website: <https://www.grammarly.com>

4. Notion AI

- Features: AI-driven note-taking and document organization tool that helps summarize long documents, automate content creation, and provide intelligent suggestions for improved efficiency.
- Smart Trick: Use Notion AI to generate action points from meeting notes instantly.
- Useful For: Writers, students, business professionals.
- Website: <https://www.notion.so>

5. DALL·E (OpenAI)

- Features: AI-powered image generation from text prompts, capable of creating detailed artwork, realistic images, and conceptual designs based on user input.
- Smart Trick: Use inpainting features to modify specific areas of an image instead of generating an entirely new one.
- Useful For: Graphic designers, marketers, content creators.
- Website:<https://openai.com/dall-e>

6. Fireflies.ai

- Features: AI-powered meeting transcription tool that records, transcribes, summarizes, and extracts action items from online meetings with integrations for Zoom, Microsoft Teams, and Google Meet.
- Smart Trick: Use keyword tracking to highlight important discussions in meeting transcripts automatically.
- Useful For: Business professionals, teams, remote workers.
- Website:<https://fireflies.ai>

7. Microsoft Excel with AI / Google Sheets with AI

- Features: AI-driven data analysis tool that provides automated insights, trend forecasting, and smart suggestions for improving spreadsheet efficiency.
- Smart Trick: Use "Analyze Data" to get AI-powered insights into spreadsheet data with natural language queries.
- Useful For: Accountants, financial analysts, business owners.
- Website:<https://www.microsoft.com/en-us/microsoft-365/excel>
<https://www.google.com/sheets/about/>

8. Hugging Face

- Features: A leading AI community and platform providing a vast collection of pre-trained machine learning models for tasks like text generation, translation, speech recognition, and image analysis. It also allows users to fine-tune models and deploy them easily.
- **Smart Trick:** Use the "Inference API" to test models instantly without setting up a local environment, making AI experimentation more accessible.
- **Useful For:** AI researchers, data scientists, developers, businesses.
- **Website:**<https://huggingface.co>

9. DeepL Translator

- Features: AI-based translation tool that offers high-accuracy translations with natural-sounding text while preserving context and nuance better than traditional translators.
- Smart Trick: Use DeepL to fine-tune translations by choosing between formal and informal phrasing.
- Useful For: Businesses, travelers, language learners.
- Website:<https://www.deepl.com>

10. Runway ML (Free Limited Access)

- **Features:** A cutting-edge AI video editing tool that enables automatic background removal, object tracking, real-time video effects, and AI-generated animations.
- **Smart Trick:** Leverage the "Text to Video" feature to create video animations from simple text descriptions.
- **Useful For:** Video editors, content creators, filmmakers.
- **Website:**<https://runwayml.com>

AI tools are transforming industries by automating repetitive tasks, improving efficiency, and enabling creativity. Whether you are a writer, marketer, accountant, or designer, these AI-powered websites can enhance productivity and help you achieve better results. By leveraging smart tricks, users can unlock the full potential of these AI tools and optimize their workflow. Start exploring these free tools today and integrate AI into your daily tasks for smarter work solutions.

Pratik Goyal is a Chartered Accountant, currently serving as Secretary of the Siliguri Branch of the Institute of Chartered Accountants of India (ICAI).
